

Ohio Revised Code

Section 1520.07 Sale of timber or spoils of a dredging operation.

Effective: April 6, 2007

Legislation: House Bill 443 - 126th General Assembly

(A) The director of natural resources may give away or sell timber that has fallen on or been removed for maintenance reasons from canal lands.

(B) The director may give away or sell the spoils of a dredging operation conducted by the department of natural resources in waters under the control and management of the department. Prior to giving away or selling any spoils under this division, the director shall notify the director of environmental protection of that intent so that the director of environmental protection may determine whether the spoils constitute solid wastes or hazardous waste, as those terms are defined in section 3734.01 of the Revised Code, that shall be disposed of in accordance with Chapter 3734. of the Revised Code. If the director of environmental protection does not notify the director of natural resources within thirty days after receiving notice of the gift or sale that the spoils shall be disposed of in accordance with Chapter 3734. of the Revised Code, the director of natural resources may proceed with the gift or sale.

(C) Proceeds from the sale of timber or dredge spoils under this section shall be deposited into the state treasury to the credit of the canal lands fund created in section 1520.05 of the Revised Code.
